Chris Eley
Stockton City Council, District 4

Stockton is at a critical point in our history and this is a time for serious leadership. Your November 4th vote will count now more than ever! Chris Eley, Stockton City Council

Why You Should Vote for Chris Eley

I have the experience to effectively represent the City of Stockton.

- Native Stocktonian, Graduate of Stagg High-1970; U.C. Santa Barbara-1974, B.A.; Graduate Golden Gate University School of Law-1979, Juris Doctorate
- Commissioner on the San Joaquin County Planning Commission for 8 years
- Adjunct Professor of Property Law at Humphreys College
- Practiced Law for over 28 years, concentrating in Real Property, Wills & Trusts
- Board Member: Habitat for Humanity & Downtown Stockton Alliance
- Owned and operated a business for 25 years

With this experience, I can quickly grasp the complex issues presented to the City Council and be instrumental in finding solutions.

My plan to guide this city through our budget crisis:

- ✔ Identify and protect essential services
- ✔ Make all city departments accountable
- ✔ Eliminate non-essential overhead
- ✔ Attract new business that create jobs
- ✔ Create innovative programs to reduce crime
- ✔ Coordinate departmental activities to streamline service and eliminate duplication
